# The Hon. Louis Paquet, at present a member of the Legislative Council of Quebec, and for many years a member of the same body of the late Province of Canada, has been appointed a Senator of the Dominion in the place of the Hon. A. J. Dugas, resigned.

The new Senator is a son of the late Hon. J. A. Paquet, who for a lengthened period filled the office of Speaker of the Legislative Assembly of Lower Canada. The Paquet family is one of the oldest and most honorable in the Province.—*Ottawa Citizen.*

## RAISING SWINE.—Hitherto the Japanese Government have prohibited the raising of swine as being impure, but recently it has decided that it is advisable to encourage the production of pork as an article of food, and has removed the prohibition. An agent of the Japanese Government arrived in California lately, to purchase stock on Government account. Seven hundred live hogs will be shipped.

## SAN FRANCISCO MERCANTILE LIBRARY.—We are in receipt by mail of the annual report (1871) of the above institution: The report details its history for the three years past—including the celebrated letter affixing the number of present members (total 2,029); the number of volumes (30,002); financial position, number of volumes loaned 1870 (\$2,000—62,000 volumes were returned); officers, &c., &c. Mr. Ogden Hoffman is elected President for 1871.

## FAILURE OF A PROPOSED COLONY.—An attempt to establish a British Colony at Rosario in the Argentine Republic, has failed. The colonists to the number of fifty, who subscribed £150,000 apiece for preliminary expenses, arrived in the spring of 1870. They were unaccustomed to hard work and knew very little about farming. Most of the party returned to England in the following winter.

## THERE IS A SOCIETY IN CHICAGO composed of ladies, which maintains an "Erasing Women's Refuge." At a recent meeting a resolution was passed, which protested strongly against "licensing the Social Evil" after the St. Louis fashion, and requested the pulpit "to discuss the subject; it seems to be viewed with great disfavor everywhere, except in St. Louis; and especially we notice that the clergy of Cincinnati are against the licensing bill, pending at Columbus."

## THE BROKEN CABLES.—St. John, N.F., Feb. 9.—The last hope of repairing the Atlantic cables for this season, has vanished. During her last attempt the Robert Lowe met heavy northern ice, and had her bow stove in. She is now repairing, and will return to St. John this winter. It would be hopeless to renew the attempt sooner than the month of June.

## MISSING MAIL.—English and other letters, which have failed to arrive, may be accounted for, we are informed, by reason of the destruction by fire, of a mail train on the Hudson River Railroad, at a place called New Hamburg, near to New York, a short time since.

## NEWSPAPERS OF THE DOMINION.—The total number of newspapers published in Ontario is 355, of which 24 are dailies; in Quebec 96, of which 12 are dailies; in Nova Scotia 31; in New Brunswick 34; in Newfoundland 15; in P. E. Island 9; in British Columbia 7, and in Manitoba 2.

## THE ENTERTAINMENT.—The entertainment at the Mechanics' Institute, is advertised for this evening, and will take place this evening. We suppose the *Standard* has made a mistake in naming to-morrow's evening.

## A SURVEYOR has been engaged by the Corporation, and is at present taking levels for the purpose of ascertaining the cost of bringing a supply of water from Elk Lake to this city.

## CITY COUNCIL.—The City Council met at 1 o'clock on Saturday afternoon, and passed the Municipal Real Estate Assessment Roll for the year 1871 and 1872.

## COURT OF REVISION.—This Court will meet at the Council Chambers to-day, at 1 o'clock, for the purpose of revising the Assessment Roll for the year 1871-2.

## FOR BERNARD INLET.—The barkentine *Lulu* sailed from San Francisco on the 10th inst., for Burrard Inlet.

## CENTENARY.—The St. Andrew's Society of Montreal propose to celebrate the centenary of Sir Walter Scott.

## JOS. BRADLEY.—Five dollars await you at this office, in response to your card for aid published in the *Standard*.

## FOR LIVERPOOL.—The bark *Finnel* left Royal Roads on Saturday, bound to Liverpool, with a full cargo of lumber.

## CONSPIRACY.—We have been unavoidably compelled to lay over several letters till to-morrow.

## ROAD AMENDMENT ORDINANCE.

In pursuance of the provisions of the "Road Amendment Ordinance, 1870," and of "The Road Amendment Act Extension Act, 1871," the Governor has been pleased to appoint the following gentlemen to form a Court of Appeal in the following Road Districts, respectively:—

Esquimalt-Town Road District—D. Cameron, Esq., W. Fisher, Esq.

Esquimalt-Metchosin Road District—E. McKenzie, Esq., J. Russell, Esq.

Victoria Road District and Victoria City Road District—W. J. Macdonald, Esq., J. D. Pemberton, Esq.

Lake and Saanich Road District—A. C. Anderson, Esq., W. Thomas, Esq.

Nanaimo Road District—W. B. Spalding, Esq., M. Bate, Esq.

Cowichan Road District—T. J. Skinner, Esq., John Morley, Esq.

Salt Spring Island Road District—J. P. Booth, Esq.

## WEATHER AND MINING PROSPECTS.—The *Idaho City World* of February 9th says:—

Since our last issue the weather has been somewhat variable. Warm, sunny days have been followed by light falls of snow during the night. About ten inches of snow, in the aggregate, has fallen during the past week, and around Idaho City the ground is covered to the depth of about two feet. Experienced miners state we have not sufficient snow to make an average mining season, provided entirely satisfactory, and many indications that we will have.

Mars of the Cariboo and Omineca gold fields and tables of distances there, are now ready, and are for sale at T. N. Hibben & Co., agents for British Columbia.
